Profile –Nick Gindre

Nick Gindre is an extremely **athletic, professional**, dedicated and, for his age, an already **highly experienced** young goal keeper wishing to further and develop his career.

Nick made his senior debut for **Walton and Hersham** in the **Ryman Premier** League as a 17 year old in January 2001, soon establishing himself as first choice keeper. Ultimately Nick went on to play more than **200 first team** games for Walton and Hersham and whilst he continued to hone and develop his skills.

When not playing for Walton, and up to the end of the 2005/2006 season, Nick trained full time with **Millwall FC** –often with the first team –and played regularly for Millwall FC reserves where their senior goalkeeping coach (Tony Burns) praised him for his **good attitude, athleticism and technique** and who still openly regards him as a major young prospect.

At the beginning of last season Nick was invited to attend a full preseason with **Bristol City FC** and performed well for them during their preseason tour of Latvia.

In September of 2006, he was invited to train with **Gillingham FC** full time and where he stayed until December of that year. (**Ronnie Jepson** and **Mick Docherty** would be very happy to provide references on request –as would **Tony Burns** and **Ray Wilkins** from his time at Millwall.) It was at that point that **Glenn Cockerill**, who had been following Nick's progress closely, then the manager of **Woking FC** made a move for Nick signing him in the January 2007 transfer window.

After several weeks as 'new boy on the bench', Nick was given his chance during what transpired to be Glenn Cotterill's last game as manager. In the subsequent weeks , and until the end of the season:-

- collected 5 '**Man of the Match**' awards; and
- featured **4 times in the Non League Daily's Team of the Day**

2006/2007

In the close season Nick was rewarded with a new **two year contract** with Woking and since then has gone from strength to strength. He had an outstanding season playing in 35 of Woking's 1st team fixtures , consolidating his reputation as **one of the Conference Divisions finest shot stoppers.**
